EXHIBITORS RULES—FLORAL ART

- All exhibits will be judged primarily for design according to the handbook of the "Australian Floral Art Association Inc Manual".
- Unless otherwise stated, any type of container, plant material or suitable accessories including embellishments may be used in conjunction with horticultural materials for purposes of completing or assisting artistic design, but horticultural material to dominate.
- A minimum of painted material is allowed, but must be used with discretion. Beauty should be the keynote and plant material must predominate.
- Horticultural materials must touch water or water retaining substance except material that will obviously last the duration of the show.
- On the second morning of the Show exhibitors may replace wilted Camellia heads provided the design of the arrangement is not changed.
- ***"Bling"*** is taken to include such accessories/embellishments as beads, coloured wires, ribbons and feathers.
- NO assistance with the staging of exhibits on the day. If help is required to carry materials into the Hall, please ask that person to leave the Hall as soon as the goods have been deposited. Only stewards are to be asked if assistance is required during the staging.
- **NO photography allowed during set-up time. Photos may be taken ONLY during Show opening times as advertised in the schedule.**
- Once you have staged your designs, please vacate the Hall.
- Do not converse with exhibitors apart from a courteous greeting. Leave them alone so they can complete staging their designs.
- Any disputes must be made in writing to Show Manager by 3pm. on the first day of the Show and accompanied by $5.00.
- See ALSO general schedule rules (Page 16).
